RubberRoll™

About RubberRoll™

RubberRoll™ is a prefabricated 4' wide roll constructed of recycled rubber with EPDM color flecks.

Regularly used in weight rooms, RubberRoll™ is also well suited for fitness areas, cardio rooms, spinning rooms and athletic performance training centers.

The many color options available will readily coordinate with color schemes and equipment. Moose RubberRoll™ is an economical way to enhance fitness rooms and is durable enough to hold up to high use and heavy weights.

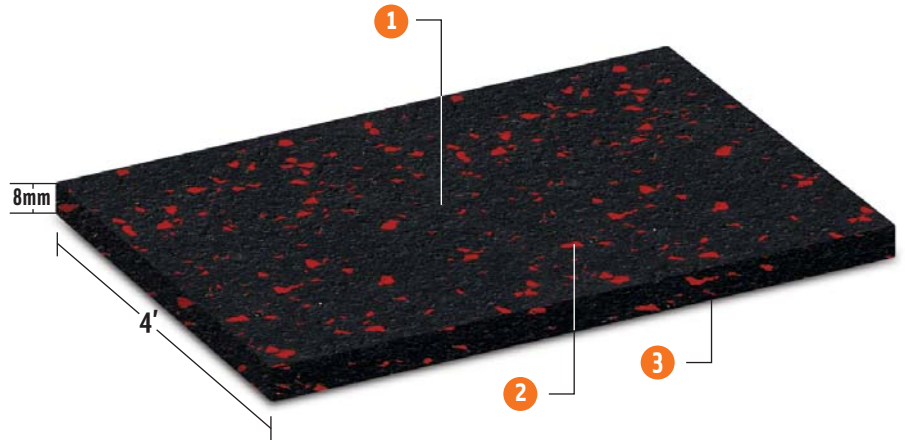

Ideal For Weight Rooms, Fitness Areas and Training Centers.
